Thereafter, sick leave shall be used until the sick leave accumulation is reduced to thirty (30) days, whereupon the Board shall then advance to the covered employee up to thirty (30) days as needed of special assault leave not chargeable to any future sick leave accumulation. The Board may require an examination and certificate from a licensed physician chosen and paid by the Board that the individual is disabled from performance of duties and the nature and duration of such disability. If the thirty (30) days assault leave are exhausted before the covered employee is able to return to regularly assigned duties, the individual's sick leave shall then be utilized.

Section IX - SERS/STRS Pickup

A. Salary Reduction Method

The salary of each employee covered in this agreement shall be reduced in an amount equal to the employee's contribution either to the School Employees Retirement System (SERS) or to the State Teachers Retirement System (STRS) and paid to the respective retirement system on behalf of the employee.

B. Fringe Benefit Method

The Board of Education shall pick up the entire administrator's portion of the School Employees Retirement System contributions. The pickup paid by the employer will be included in earned compensation for retirement purposes.

The Board of Education agrees to pick up the total of employee contributions required by ORC 3307.26 to be contributed by administrators to STRS Ohio. The Springfield City Board of Education is permitted to pick up employee contributions pursuant to Section ORC 3307.27, and Section 414(h)(2) of the Internal Revenue Code. These picked-up contributions, although designated as employee contributions, are being paid by the Board of Education in lieu of employee contributions and 10% shall be paid by the Board as a fringe benefit in addition to the contract salary otherwise payable to the employee. These contributions shall be treated as additional compensation and included in salary for retirement purposes. The remaining percentage required by law shall be treated as mandatory salary reduction from the contract salary otherwise payable to the employee. The employees mentioned above may not opt out of the picked-up contributions or elect to receive the contributed amounts directly instead of having them picked up by the Board of Education and paid to STRS Ohio.

Section X - Severance Pay

Effective January 1, 2001, all employees covered in this agreement who retire from service with the Springfield City Schools with ten or more years of service with the State, its political subdivisions, and/or any combination thereof, may at the time of retirement (and the filing and approval of applications for retirement by the Ohio State Retirement Systems) elect to be paid for one-fourth the value of accrued but unused sick leave credit with the following limitations:

- A. Payment shall be based on the employee's daily rate of pay at the time of retirement. Daily rate shall be based on the final annual salary of the employee with the district as shown on the regular contract or salary notice.
- B. Severance pay shall be paid for twenty-five percent (25%) of the accrued but unused sick leave.
- C. Receipt of such payment for accrued but unused sick leave shall eliminate all sick leave credit accrued by the employee.
