The Springfield City School District **requires** that ALL students and staff wear masks to prevent the spread of COVID-19.

Federal mandate **requires** ALL students and staff wear masks on buses.

*If all three prevention measures, set by the CCCHD, are met, students and staff will **not** need to quarantine unless they develop symptoms.*

1. **Universal Masking for All Students & Staff**
2. **Physical Distancing (3 feet or more)**
3. **Documented Prevention Policies**

**Contact** = 3 feet or less for 15 cumulative minutes in a 24-hour period to a positive COVID-19 case

---

**If student/staff choose not to test,** student/staff will quarantine out of school and will not be permitted to participate in extracurricular activities/athletics for 10 days if showing no symptoms.

If student/staff is **tested** and provide **proof** of a negative COVID test performed at least 5 days after exposure with no symptoms, they can return to school and extracurricular activities/athletics after 7 days.

If student/staff **tests positive with symptoms,** they will quarantine for 10 days from onset of symptoms and return to school on day 11 if showing no symptoms.

If student/staff **tests positive with no symptoms,** they will quarantine 10 days from the date of the positive test and return to school on day 11 if showing no symptoms.

---

**If symptoms develop or student/staff test positive,** they will quarantine for 10 days from the date of the onset of symptoms and return to school on day 11 if showing no symptoms.

**Student/staff will monitor symptoms for 14 days.**

If no symptoms develop, vaccinated student/staff will remain in school and be permitted to participate in extracurricular activities/athletics.

If symptoms, student/staff will be quarantined, will not attend school or participate in extracurricular activities/athletics. Vaccinated student/staff who meet the clinical criteria will be identified as a probable case and treated as a positive case.

If symptoms develop or student/staff test positive, they will quarantine for 10 days from the date of the onset of symptoms and return to school on day 11 if showing no symptoms.

Quarantine Guidelines for Grades 7-12

Students and Staff After Exposure

The Springfield City School District strongly recommends that ALL students and staff in middle & high school buildings wear masks to prevent the spread of COVID-19.

Federal mandate requires ALL students and staff wear masks on buses.

If all three prevention measures, set by the CCCHD, are met, students and staff will not need to quarantine unless they develop symptoms.

1. Universal Masking for All Students & Staff
2. Physical Distancing (3 feet or more)
3. Documented Prevention Policies

Contact = 3 feet or less for 15 cumulative minutes in a 24-hour period to a positive COVID-19 case

Is the contact vaccinated?

If student/staff choose **not to test**, student/staff will quarantine out of school and will not be permitted to participate in extracurricular activities/athletics for **10 days** if showing no symptoms.

If student/staff is **tested** and provide **proof** of a negative COVID test performed at least **5 days after exposure** with no symptoms, they can return to school and extracurricular activities/athletics after **7 days**.

If student/staff tests **positive with symptoms**, they will quarantine for **10 days** from onset of symptoms and return to school on day **11** if showing no symptoms.

If student/staff tests **positive with no symptoms**, they will quarantine **10 days** from the date of the positive test and return to school on day **11** if showing no symptoms.

Student/staff will monitor symptoms for **14 days**.

If **no symptoms** develop, vaccinated student/staff will remain in school and be permitted to participate in extracurricular activities/athletics.

If **symptoms**, student/staff will be quarantined, will **not attend school** or participate in extracurricular activities/athletics. Vaccinated student/staff who meet the clinical criteria will be identified as a probable case and treated as a positive case.

If symptoms **develop** or student/staff **test positive**, they will quarantine for **10 days** from the date of the onset of symptoms and return to school on day **11** if showing no symptoms.
