Lesson Planning	<ul style="list-style-type: none"> Teachers follow Ohio Learning Standards and utilize District resources
Lesson Posting-Google Classroom	<ul style="list-style-type: none"> Instruction is provided through videos and face-to-face direct instruction All teachers will post materials under the “Classwork” tab in Google Classroom
Resources	<ul style="list-style-type: none"> All materials will be digitized and uploaded into Google Classroom in order to provide virtual access to all instructional materials
Communication	<ul style="list-style-type: none"> Parent communication will occur via GradeBook, Google Classroom monitoring, email and phone calls Student communication will occur through the Google Classroom platform or email
Classroom Expectations	<ul style="list-style-type: none"> Log in via Google Meet each class period for attendance Students will follow class period guidelines for instruction and communication

Students enrolled in face-to-face learning

Mode of Service: Face to face, receiving instruction in the building

Positive test/Quarantine plan for all students:

- Students who are quarantined due to exposure are expected to complete classwork via Google Classroom.
- Should a student be too ill to work, students should communicate with their teacher to create a make up plan. Parents and guardians, please contact the school directly should this situation apply to your student.

**In some cases, Pearson Connexus may be used in lieu of the Google Classroom platform.*
