Welcome by Board President, Ed Leventhal.

Presentations
• School of Innovation Update by Gary Cross - Emily Jablonka, Cherie Moore, Evan Hunsaker, Wendy Brown, Gary Cross
  • Cherie Moore - Planning on more permanent signage after the first of the year.
Cherie Moore - starting in the next two weeks we will have geo targeted ads on WHIO and Springfield News Sun website as well as half page full color ads, and radio ads on K99.1 and Eagle.

Evan Hunsaker - PBL focus on eight essentials and core is key: knowledge, understanding, and Success Skills - partnership with Al Summers of the Buck Institute. 75% of staff have agreed to working during holiday break.

Wendy Brown - described guest speakers from Lakota tribe. Students learned how historical events were documented differently depending on the perspective of the authors. Native Americans have different perspectives regarding American History than what is commonly documented.

Gary Cross - Outreach and recruitment - team went to all three middle schools in 8th grade. Then invited interested students to experience a 1.5 hour session at SOI. Also hosted an incoming freshmen open house. The open houses are ongoing, most successful in the fall with over 40 outside Springfield community and 4 expressing an interest in attending SOI next year. Greatest recruitment is from our current students. Convincing the community we are different has been difficult.

Wendy Brown - upcoming projects - radiation project through connecting with schools in Ukraine, our students will be writing to children associated with native American tribes and forming a city partnership, working with government officials (city commissioner coming in next week to speak)

Dr. Hill - demographics at SOI mirrors demographic of entire district.

Gary Cross - recruitment started late for current FY; however already recruiting this year for next school year - expect to add 40 more next year and retain current students.

Chris Williams - What is capacity? Gary Cross - over 300.

Chris Williams - Are we going to expand recruitment to middle school rather than 9-12? Dr. Hill - we were waiting to determine if viable before expanding. Chris Williams - clarify, can we get students in 7th and 8th grade more information about SOI to encourage them to think about SOI before they apply to GISA? Gary Cross - certainly an option.

Chris Williams - where did testimonials come from; survey or random. Gary Cross - mostly random; currently working towards a more formal process.

Anita Biles - recruitment - consider improve communication at elementary level to follow up on PBL lessons taking place and inform them that they could continue. Emily Jablonka - Evan Hunsaker may be able to work with other instructional coaches to get message across.

Carol Dunlap - consider transport the entire class of 8th graders to SOI. Anita Biles agree - they need to be able to visualize what they could be doing.

Cherie Moore - going to emphasize proximity to Dome.

Ed Leventhal - what was enrollment last year? Gary Cross - around 18 from last year.

Ed Leventhal - do students go to SHS and SOI and participate in extracurricular activities? - Gary Cross - yes for cheer, band, track German Club and Key club. Ed Leventhal - how do they get there? Dr. Hill - our transportation dept.

Ed Leventhal - What does acceptance process look like? - Gary Cross - trying to not bring in students that are huge discipline problem but are looking for other
environments to learn in. o Ed Leventhal - anyone attending who are not SCSD resident students? Gary Cross - Yes: 3 at SOI and 8 at OnCourse. o Ed Leventhal - does the location of the building help? Dr. Hill - don’t know for sure, may be beneficial location to small group, but our District transports students who live in that area to SHS regardless.

• Instructional Technology Plan Written Report by Stacy Parr o Ed Leventhal - What is your general feeling regarding progress from prior years? Stacy Parr - this is end of year five we continue to grow in the focus areas, this is refresh year for SHS beginning the process to move to IPads purchase this year to replace the MacBook’s. Nancy Eben is in the classroom every day for professional development and tech support.
  o Jamie Callan - any negative comments from students or parents? Stacy Parr - no negative comments. o Carol Dunlap - any concern about IPad’s at SHS and testing? Stacy Parr - have not pulled a lot of research but have reached out to Hilliard and Upper Arlington to find out about what the impact would be on state testing. Just starting into that and working on purchasing keyboards. o Carol Dunlap - there were some growing pains in moving to laptop in year one - any concerns with switching to IPads? Dr. Hill - Apple is no longer making the 11” MacBook so only other option is the iPad and we cannot change platforms at this point.
  o Chris Williams - have we made a decision regarding IPads? Dr. Hill - we are sticking with Apple and IPads, only decision now is keyboard or no keyboard. In reality a larger iPad is not much different than a laptop. o Anita Biles - are we offering keyboarding as a class? Cris Sanchez - Not really as a class, but it is part of the lab time at the elementary level.
  o Stacy Parr - There is a student group at SHS assisting in the implementation process.

Treasurer’s Items for Consideration and/or Action (A Section)

Section A-1

Mr. Williams moved to adopt the following resolution to approve/accept the following Consent Items A-2 through A-7. Attachments related to Consent Items A-4 and A-6 are located at the end of the December 13, 2018 board minutes.

RESOLUTION 2018-89

Consent Item A-2

That the Springfield City Board of Education approve previous board meeting minutes for the meeting held November 8, 2018.

Copies of board meeting minutes will be available on request by calling Vanessa Powell, Treasurer’s Office at (937) 505-2813.

Consent Item A-3

That the Springfield City Board of Education does hereby approve the payment of an invoice received after purchase has been made before the purchase order was issued in the amount of $3,000.00 and over. This is called an After-the-Fact Purchase Order. Details follow:

Payment will be made from the 001-1190-411-423 Fund

Explanation of circumstances surrounding why invoice was received is dated prior to purchase order issuance:

From: Johnston, Amanda
Sent: November 8, 2018 7:42 A.M.
To: Powell, Vanessa

The invoice is dated prior to the purchase order due to a change in leadership over the OnCourse program. We were unaware of this reoccurring expense, therefore we did not have a purchase order in place.

Consent Item A-4

To approve Cumulative Financial Statement as of November 30, 2018 (including reconciliation for November, 2018).

Consent Item A-5

That the Springfield City Board of Education acknowledges and accepts the following donations:

- The following cash donations were made in support of the Springfield High School Drama Club (Fund #300-9310) toward the cost of costumes for the upcoming spring musical as well as any other related expenses:

  $100.00 from Clark County Auditor/Mental Health Services  
  $100.00 from Michael and Carey McKee  
  $ 50.00 from Wendy Doolittle  
  $150.00 from Community Health Foundation  
  $200.00 from Huma A. Bashir LLC  
  $250.00 from Clark County Auditor

Consent Item A-6

That the Springfield City Board of Education approve a Type VI Payment agreement for the parent/guardian transportation of a special education student.

Consent Item A-7

Explanation of circumstances surrounding why invoice was received is dated prior to purchase order issuance:

**From:** Reaven, Sharon  
**Sent:** December 10, 2018 3:38 P.M.  
**To:** Powell, Vanessa

Due to the delay in Auxiliary funds being transferred to the appropriate budget line following board action on 10/25/18, the purchase order was not created until 11/27/18.

Mr. Callan seconded the motion.

  GBE:  Staff Health and Safety
  GBE-R:  Staff Health and Safety
  GBP:  Drug-Free Workplace
Comments from Superintendent

- HB 491 Extends Graduation Pathways for 2019 and Makes Changes for 2020. The legislation enacted this week by the General Assembly extends the alternative pathways available for the Class of 2018 to this year’s graduating class. However, the bill modifies slightly the conditions for the class of 2020 under the main alternative pathway, including:
  - (a) A student in the class of 2020 may not use the attendance in twelfth grade as a condition to graduate.
  - (b) A student in the class of 2020 must have a cumulative grade point average of 2.5 for courses taken during eleventh and twelfth grades (instead of just the twelfth grade).
  - (c) A capstone project completed by a student in the class of 2020 must comply with guidance issued by the Department of Education. The bill specifies that the guidance must be issued by May 31, 2019, must describe the components of a successful capstone project and the process for evaluating each component, and must ensure that each project is designed as a culmination of the student’s high school experience.
  - (d) The student’s completion of 120 hours of work in a community service role or a position of employment must comply with guidance developed by the Department in consultation with the Governor’s Office of Workforce Transformation. That guidance must be issued by May 31, 2019. It must describe the requirements for school district or school approval and verification of the work and must indicate that it is preferable that students complete the work with a business or nonprofit organization registered in Ohio.

- Career-technical alternative pathway. The second pathway applies equally to the classes of 2018, 2019, and 2020. It qualifies a student for graduation if the student (1) takes all of the end-of-course exams required for the student or takes an alternate assessment for chartered nonpublic school students, (2) completes the district’s or school’s required units of instruction, (3) completes a career-technical training program approved by the Department that includes at least four career-technical courses, and (4) completes one of the following other conditions:
  - (a) Attains a cumulative score of at least proficient on career-technical education exams, or test modules, that are required for a career-technical education program;
  - (b) Obtains an industry-recognized credential, or a group of credentials equal to at least 12 points; or
  - (c) Demonstrates successful workplace participation, as evidenced by documented completion of 250 hours of workplace experience and by regular, written, positive evaluations from the workplace employer or supervisor and representative of the district or school. (This condition must be based on a written agreement signed by the student, a representative of the district or school, and an employer or supervisor.)

- Congratulations to the Hayward MS TechFit Team! The 8th grade team took a runner-up finish at Purdue this week. Both teams performed very well.

- We received the Fall 2018 OST scores for our third grade students this past weekend.
593 students took the assessment. This year saw the highest percentage of students proficient since the students started taking the AIR version of the tests in fall 2015 (20% were proficient).

40% of our students met a minimum score of a 677 or better to meet the Ohio TGRG requirements (this includes the 20% above). Because students can also have a minimum reading sub score of 45 to meet the Ohio TGRG requirements, this totals to 45% of students who have met the Ohio TGRG requirements.

**Board Members**

- **Chris Williams** - When you were explaining the graduation requirements; can you clarify is a cumulative GPA of 2.5 a requirement of graduation? Dr. Hill - this applies to a graduating class of 2020 - student who is on an alternative pathway to graduation must have 2.5 GPA in junior and senior year in core subject and capstone project.

- **Ed Leventhal** - What is an example of a capstone - Rick Butler - in prior year’s students worked with teachers in learning how to write a research paper and how to present the subject researched. The presentation was done in front of an audience knowledgeable in the research subject and the audience was provided time to question the students about the subject to emphasize the knowledge of the students from the research project.

- **Carol Dunlap** - mentioned Key Club - parent’s night out from 6pm-10pm tomorrow night (12/14) at Snowhill for $5 per child.

- **Ed Leventhal** - Would like to start the conversation about how do we redirect the public from just looking on the internet at the test scores. Do we have catalogs or other information to give to realtors or chamber members to distribute? Dr. Hill - Cherie Moore is working on these items and it was brought up at BAC. Chamber was pleased and Pete Noonan was pleased. Dr. Hill - planning a work session in January to highlight areas on our SCSD Dashboard. Ed Leventhal - might be helpful to get with realtors and chamber members to find out what they think is important. Dr. Hill - we can invite representatives of each to retention committee meeting.

- **Anita Biles** - I watched a documentary called “No Small Matter” - and the importance of early childhood education. The documentary will be picked up by Netflix, but we are hoping to push out to local officials to encourage legislatures to direct more dollars to early childhood education. Less than 6% of state budget is spent on early childhood education and wages paid to educators of early childhood is less than living wage and most of these employees work two jobs. Anita Biles will send link to Dr. Hill to distribute.

- **Ed Leventhal** - when is winter break? Dr. Hill starts Dec 21st and students return on January 3.
Mr. Williams moved to adjourn.

Ms. Biles seconded the motion.
