**Recognitions**

- School Board Recognition Month by Robert Hill

**Presentations**

- SCSD Internship Program by Sarah Lemon.
  - Ms. Biles - There is a need for internship program that targets careers in the human services industry.
  - Mr. Callan - Do we have an understanding of why our kids are not more interested in the intern positions available and what can we do to get them interested?
    - Dr. Hill - the program is working on trying to make the students understand what the jobs actually entail. Participating companies have begun to paint the picture of what the job would actually look like.
    - Ms. Lemon - We are trying to get the students to ask the question about whether or not they see themselves in this job.
  - Ms. Biles - I recommend connecting with Leslie Crew at Family Children First Council - maybe we could do a presentation to that group to make them aware of our internship program.
    - Dr. Hill - Family Children First had a meeting yesterday and this very topic was discussed at the meeting.
    - Ms Lemon - We really appreciate the assistance we have received and continue to receive from the Board.
Ms. Biles - I think the members of the Board could assist in connecting you with the appropriate people in the companies you would be interested in having our students intern.

Mr. Leventhal - What kind of barriers are you facing; transportation?
- Ms. Lemon - We do have to consider bus routes and walking distance when placing students for an internship. We are currently working on creating a map of businesses so students can visualize which companies would be close enough to make the internship viable regarding transportation.

Mr. Leventhal - Where are we on funding?
- Dr. Hill - Clark Co ESC, Clark Shawnee, GISA and the Chamber are partners and pay a share but SCSD is supporting the majority of the program.
- Dr. Hill - Clark County ESC Business Advisory Council would like to provide more assistance.
- Ms. Lemon - SCSD is ahead of the game and other county schools are trying to emulate our program.
- Ms Lemon - We get feedback about our students regarding how they performed from the participating companies and the feedback has been very positive.

Comments from Superintendent

• SHS is moving forward with the implementation of the alternative high school graduation pathways. As a reminder, students can meet the following criteria to graduate:
  o All students must still meet the minimum credit requirement of earned high school credits  
  o Earn 18 out of 35 points on seven end-of-course state tests. You can earn up to five points on each test. You need a minimum of four points in math, four points in English language arts and six points across science and social studies.
  o -OR-
  o Earn an industry-recognized credential or a group of credentials totaling 12 points and earn the required score on the WorkKeys test. Ohio pays for you to take the test one time. Some districts offer the Senior Only Program through which you can earn credentials in one school year.
  o -OR-
Earn remediation-free scores* in math and English language arts on the ACT or SAT. Your district chooses either the ACT or SAT. You will take a one-time statewide spring test in grade 11 for free.

-OR-

Students must take and pass courses that constitute the curriculum requirements and take all seven end-of-course exams. If the student receives a score of “1” or “2” on any math or English language arts test, the student must retake the test at least once while in high school.

Additionally, students must meet at least two of the below requirements:

- Attendance rate of 93 percent during the 12th-grade year;
- Earn a GPA of 2.5 on a 4.0 scale in all courses completed during 12th grade (must complete at least four full-year, or equivalent, courses);
- Complete a capstone project during 12th grade that the district or school defines;
- During 12th grade, complete a work or community service experience totaling 120 hours that the district or school defines;
- Earn three or more College Credit Plus credits at any time during high school;
- Earn credit for an Advanced Placement (AP) or International Baccalaureate (IB) course and earn an AP exam score of 3 or higher or IB exam score of 4 or higher at any time during high school;
- Earn a WorkKeys exam score of 3 on each of three test sections;
- Earn a State Board-approved industry-recognized credential or credentials that equal at least three points;
- Meet OhioMeansJobs Readiness Seal requirements.

Board discussed moving forward with the implementation of the alternative high school graduation pathways.

- Mr. Williams - Is what you described regarding the graduation pathways significantly different than what was in the Springfield News Sun?
- Dr. Hill - Yes there is a significantly different outcome now than what was described in the article.
- Mr. Leventhal - What is the timeline to make the decision regarding the alternate pathways?
- Dr. Hill - the decision has to be made as soon as possible.
- Mr. Rick Butler - I met with the counselors to identify the students and assist in a plan to get the students on track. Mr. Smith and his team are on top of making sure students are meeting the requirements.
- Dr. Hill - Would like to give credit to Ms. Amy Stacy for creating a pivot table to allow the counselors to easily identify students at risk.
